of Moscow, for instance, and there study Surveying and become "Uredfaucepurne".

I think your father is the right person to intercede for me before Drinoff, but still I leave it to your discretion to see about it.

Mr Slaveicoff, I have all my hopes on you. It depends upon ^{you} whether I shall be always a clerk or whether I shall be a good engineer. I beg you, don't lose time, because there is none to be lost.

Next year is approaching, and may God help you to finish it by that time.

I am preparing in case of success, for examination. You know that I am not so weak in Mathematics. This is not blowing my own ~~part~~ trumpet.

You can not imagine how grateful and how glad I would be if you render me this service. Please, try - nothing succeeds like Success.
