taking my turn for watch  
three times during the night, in  
the evening at midnight and  
~~at~~ daybreak. I succeeded to keep  
up this watch till this evening,  
Tuesday changing two or three  
rotas in 24 hours; but this evening  
after what happened, there was  
no possibility for me to call any  
rota. This is very unfortunate and  
it will be unpleasant to the general.

There are many incidents of this  
four day's insurrection of Slivno;  
but I cannot describe them all  
now. You will probably hear many  
more particulars from somebody  
who arrives in your capital from  
here. I was very anxious about  
the end of this comedy, for it was  
literally a comedy, for I feared  
it would end in a <sup>fearful</sup> tragedy.

Such are the news from Slivno
