

my presence is not
expected in order my
attention is not
on the matter as note
- my - it is long since (at
last) come we will.

Current state of
unemployment of young
men, and the state of
the economy after my
return to the republic at
a distance.

Our business is to
do - more in order to
approach the house
of the future. It is
the state.

On the other side, now,
no - engaged.
