

Ireshinde te zhan, te chumudinen vast e barvale romeske, soske ov dinyas lenge pares te ukudinen.

Gele pash leste. O barbalo rom sar diklyas len, vakerzhas:

– Saste-veste te oven mange! Akana isi amen daskali, doktori, stroiteli thai bashalno. Postroinen akana ekh bolnitsa o stroiteli thay ekh uchilishte – te keren butu o doktori thay o daskali, sare manusha ka oven dovolna.

Sare sine dovolna o manusha da, o barvalo ola, a nay-dovolno sine o dad, kay kerdyas pe dayakiri zarwka.

O bashalno achhilo pash ko barvalo rom i a dalkeske o roma but dehana te khelen thay te gilyaben.
