

– E, mi mo dzhamutro?

– To dzhamutro si othe!

– E, shtom okola tasile, so te kerav? O dzhamutro te na tasyol!

Lela..., ale. O biyav ko thagar kerde. Lile i borya. Avna peske, ale here. Les nay kher. Ingelela len prao ko kher, ko baro, kate tasyardyas en. Bare khera, bare bara. I lesitsa phuterdyas lenge.

– Nakhen, nakhen katka, be! De, be! Den andre!

Okola dine andre. Ov uhlyardyas i borya. Dzhala pravo ando hale. Dzhanel, chi si kher, ta othe te beshel. Ando hale dzhala.

I lesitsa pala:

– Ey, sh-h-h! Tu dilno li si nyan, be! Ingel i borya upre, pala togava tsha ko hales!

Opraila pes, chi si kodova..., ko hales. Te na ingalel i borya ko hales.

– Ukli upre, pala zha ko hales! Hli, mutar!

Te del pes godi, chi si dava hales. Lela, ingeldyas i bora upre. Lela, gelo upre. Hale, pile, kerde. Vikindyas e kalfen.

– Ake kay si tumaro barvalo! Tumaro barvalo sine aver thanes I akana preberinela pes.

Beshto, kibor beshto. Lenge byandilo rakloro. I lesitsa pash lende beshti.

Dobre, ama akana oy muli kerla pes. Ov gelo ando kwri bukyate. Irsaylo, avela peske. Leski dasni vastesa kerela leske, kay i lesitsa kerla pes muli.

– Ey!

– Mo, so kerdyan, be?

– A be, i lesitsa muli, be!

– E? Kay muli – katar o chang i avri!

Odaya ushtini.

– Ay! Kidya li si? Me kerdyom tu thagaresko zhamutro! Ka kerav tuke romeros! Te lel man andi chank, ta te chhivel man avri, nali! Me – phen- a – hari lachhipe kerdyom tuke!

Nakhlo ekh kurko, chachos muli i lesitsa. Pale vikinena leske:

– Ey! Ela dikh la sar muli?

Potainela, darala te phel. Okova ushtino, gelo. Chachos muli. Kerel ake ekh mohtoro i gelo, parondyas la. Zhi akana zhivinena peske.
