

E TRIN PHENYA

Isine trin phenza. Beshte, kerena pochivka. Pochizen. Lena..., ama na dena te svetzel lampa, chi ka muken..., sha pushtat bomba. I lela..., phen-na:

– Te lela man beisko chhavo, ka kerav leske ekh salkwni drakha saure askeri te han!

Pale aver vakerla:

– Pale man te lela, ka kerav ekh chadwri, ta saure askere te beshen talal!

Pale i treto vakerla:

– Man te lela, ka byanav leske duy kwzaen, bliznatse. E chhave te oven „Yani eldwz“, a o chhay te ovel „Swrma sach“!

Lela odova, kerena kodova. Lela trin pheyan. Ekh kerdes o drakh, akaya o chadwri. Achhii tar akaya, i khamni. Avzi-tasya, avzi-tasya, ka byanel veche. I akana okola, o duy zhuya kerna peske pheresa:

– O! – phenna – Ka byanel duy kazaya!

Len akana ekhe rikone, ekhe matska, thoena len ande patave. Lena e kazayen, chhivena len ko mori. Dobre, ama ekh ribaris astarela len. Kay astar avzi-tasya, avzi-tasya, e kazaya barile. O chhavo kay barilo i day leski..., chhi krwvta tegli. Phenla:

– Sigo kala kazaya barile!

I chhay pale zebela. Avinya, kay ushtela si sar bilbili. E, ma kay kerel koda, la mangela la. Toy ne znae, che mu e dwshterya. Mangela la. Phenla:

– Ka bichhales len te anel tuke bilkes! Othe te chhinel le!

O chhavo gelo i astarel e bilkes te chhinel kushientsa. Chiriklo.

– Ka bichhales le... – phenna – Na sveta ima edna..., takova deka znae po sveka kakvo ima. Ka la askerel, bichhal ma barende!

Na kamene gi pravi. Gelo otar. Bichhalel le te kerel le bareste. Zhana, bichhael le te kerel le bareste. Laa le i trwgnisil le te aven. Phenna:

– Zhanes so? Akana ekh romni si parome ko stwlba. Kon nakhel – chhungadel les! Kon hasala – upral la kerela! Tu nay nakhlyan. Tayn ta las i shervesa, khosesa la, chumidel la. Me kay nakhyom ka khosav la, ka chumidav la!

I chhay kay nakhi, ka khosel la, na chumidel la. Nakhle, nakhle,
