 description of the  
 public mechanical industry and the  
 public chemical industry. The thirty-ninth  
 part is devoted to a  
 description of the  
 public pharmaceutical industry and the  
 public food industry. The fortieth  
 part is devoted to a  
 description of the  
 public beverage industry and the  
 public tobacco industry. The forty-first  
 part is devoted to a  
 description of the  
 public textile industry and the  
 public leather industry. The forty-second  
 part is devoted to a  
 description of the  
 public paper industry and the  
 public printing industry. The forty-third  
 part is devoted to a  
 description of the  
 public glass industry and the  
 public pottery industry. The forty-fourth  
 part is devoted to a  
 description of the  
 public iron industry and the  
 public steel industry. The forty-fifth  
 part is devoted to a  
 description of the  
 public copper industry and the  
 public tin industry. The forty-sixth  
 part is devoted to a  
 description of the  
 public zinc industry and the  
 public lead industry. The forty-seventh  
 part is devoted to a  
 description of the  
 public silver industry and the  
 public gold industry. The forty-eighth  
 part is devoted to a  
 description of the  
 public diamond industry and the  
 public gemstone industry. The forty-ninth  
 part is devoted to a  
 description of the  
 public jewelry industry and the  
 public watch industry. The fiftieth  
 part is devoted to a  
 description of the  
 public clock industry and the  
 public instrument industry. The fifty-first  
 part is devoted to a  
 description of the  
 public optical industry and the  
 public electrical industry. The fifty-second  
 part is devoted to a  
 description of the  
 public mechanical industry and the  
 public chemical industry. The fifty-third  
 part is devoted to a  
 description of the  
 public pharmaceutical industry and the  
 public food industry. The fifty-fourth  
 part is devoted to a  
 description of the  
 public beverage industry and the  
 public tobacco industry. The fifty-fifth  
 part is devoted to a  
 description of the  
 public textile industry and the  
 public leather industry. The fifty-sixth  
 part is devoted to a  
 description of the  
 public paper industry and the  
 public printing industry. The fifty-seventh  
 part is devoted to a  
 description of the  
 public glass industry and the  
 public pottery industry. The fifty-eighth  
 part is devoted to a  
 description of the  
 public iron industry and the  
 public steel industry. The fifty-ninth  
 part is devoted to a  
 description of the  
 public copper industry and the  
 public tin industry. The sixtieth  
 part is devoted to a  
 description of the  
 public zinc industry and the  
 public lead industry. The sixty-first  
 part is devoted to a  
 description of the  
 public silver industry and the  
 public gold industry. The sixty-second  
 part is devoted to a  
 description of the  
 public diamond industry and the  
 public gemstone industry. The sixty-third  
 part is devoted to a  
 description of the  
 public jewelry industry and the  
 public watch industry. The sixty-fourth  
 part is devoted to a  
 description of the  
 public clock industry and the  
 public instrument industry. The sixty-fifth  
 part is devoted to a  
 description of the  
 public optical industry and the  
 public electrical industry. The sixty-sixth  
 part is devoted to a  
 description of the  
 public mechanical industry and the  
 public chemical industry. The sixty-seventh  
 part is devoted to a  
 description of the  
 public pharmaceutical industry and the  
 public food industry. The sixty-eighth  
 part is devoted to a  
 description of the  
 public beverage industry and the  
 public tobacco industry. The sixty-ninth  
 part is devoted to a  
 description of the  
 public textile industry and the  
 public leather industry. The seventieth  
 part is devoted to a  
 description of the  
 public paper industry and the  
 public printing industry. The seventy-first  
 part is devoted to a  
 description of the  
 public glass industry and the  
 public pottery industry. The seventy-second  
 part is devoted to a  
 description of the  
 public iron industry and the  
 public steel industry. The seventy-third  
 part is devoted to a  
 description of the  
 public copper industry and the  
 public tin industry. The seventy-fourth  
 part is devoted to a  
 description of the  
 public zinc industry and the  
 public lead industry. The seventy-fifth  
 part is devoted to a  
 description of the  
 public silver industry and the  
 public gold industry. The seventy-sixth  
 part is devoted to a  
 description of the  
 public diamond industry and the  
 public gemstone industry. The seventy-seventh  
 part is devoted to a  
 description of the  
 public jewelry industry and the  
 public watch industry. The seventy-eighth  
 part is devoted to a  
 description of the  
 public clock industry and the  
 public instrument industry. The seventy-ninth  
 part is devoted to a  
 description of the  
 public optical industry and the  
 public electrical industry. The eightieth  
 part is devoted to a  
 description of the  
 public mechanical industry and the  
 public chemical industry. The eighty-first  
 part is devoted to a  
 description of the  
 public pharmaceutical industry and the  
 public food industry. The eighty-second  
 part is devoted to a  
 description of the  
 public beverage industry and the  
 public tobacco industry. The eighty-third  
 part is devoted to a  
 description of the  
 public textile industry and the  
 public leather industry. The eighty-fourth  
 part is devoted to a  
 description of the  
 public paper industry and the  
 public printing industry. The eighty-fifth  
 part is devoted to a  
 description of the  
 public glass industry and the  
 public pottery industry. The eighty-sixth  
 part is devoted to a  
 description of the  
 public iron industry and the  
 public steel industry. The eighty-seventh  
 part is devoted to a  
 description of the  
 public copper industry and the  
 public tin industry. The eighty-eighth  
 part is devoted to a  
 description of the  
 public zinc industry and the  
 public lead industry. The eighty-ninth  
 part is devoted to a  
 description of the  
 public silver industry and the  
 public gold industry. The ninetieth  
 part is devoted to a  
 description of the  
 public diamond industry and the  
 public gemstone industry. The hundredth  
 part is devoted to a  
 description of the  
 public jewelry industry and the  
 public watch industry.
