

The business for me  
 is not to pay in money but  
 in services, and I have  
 not a word of money in  
 my pocket... - I am  
 not.

- I am!...  
 I have a great deal of  
 money in my pocket, but  
 I do not want to pay in  
 money, but in services, and  
 I have not a word of money  
 in my pocket... - I am  
 not.
