

Great things have been done
 in the history of the world
 and it is not surprising that
 the same things should be done
 in the history of the church.
 We are living in a time
 when the world is full of
 trouble and sorrow, and
 we need the help of God
 more than ever before.
 Let us pray for the
 peace of the world and
 the unity of the church.
 Amen.

of the world and the church.
 Amen.
