

[illegible]

Spent my whole life in the service of the
 State, and I have seen many things which
 have made me a man of the world. I have
 seen the great power of the State, and I
 have seen the great power of the Church. I
 have seen the great power of the people, and I
 have seen the great power of the world. I
 have seen the great power of the State, and I
 have seen the great power of the Church. I
 have seen the great power of the people, and I
 have seen the great power of the world.
